

Welcome to

SRVO+

The new name for excellence in service

Your property services specialist

SRVO (Ser-vo) is a trusted property advisor, providing comprehensive building surveying, risk assessment and lease advisory services UK-wide.

We act with precision, realising value potential for every property and optimising opportunities for growth and success.

We dare to be different

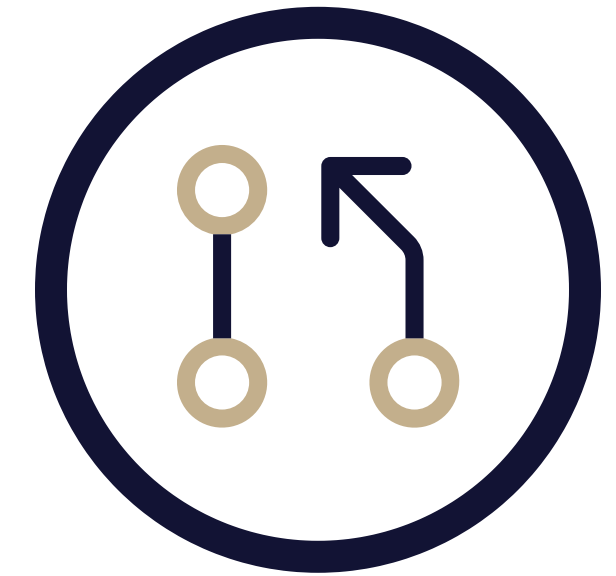

We offer more value with more consistency across more services in more offices throughout more locations than ever before.

We are a fast-growing property services specialist in the UK, part of the Odevo Group of businesses.

We provide market-leading property advisory and surveying services, bringing together a highly experienced team with a huge depth of resource, knowledge and geographic reach.

Delivering quality service, quickly & effectively

We challenge the status quo with forward-thinking solutions

We create value for our clients

Surveying a breadth of services

We're a full service property advisor

A comprehensive surveying service that adds value to residential and commercial real estate clients across the UK.

We collaborate with property managers, freeholders, directors, and private clients on a diverse array of projects, such as inspections, major works, refurbishments, and building surveys.

As an Odevo Group business, we are in a powerful position to leverage the best of innovation, technology and expertise, to deliver market-leading property services to partner brands within the Odevo Group, as well as across the real estate sector.
